Pesticide Program Dialogue Committee Registration Review Workgroup

The Registration Review Workgroup, part of EPA's Pesticide Program Dialogue Committee (PPDC), will hold its next public meeting on Wednesday, April 14, 2004, from 1:00 p.m. to 5:00 p.m. The workgroup is developing a presentation for the full PPDC meeting tentatively planned for May, to provide EPA advice and recommendations on issues and topics related to the Agency's registration review program. An agenda for this meeting will be posted on EPA's website at <http://www.epa.gov/pesticides/ppdc>. The meeting will be held at EPA's offices at 1921 Jefferson Davis Highway, Crystal Mall #2, Room 1126 (the Fishbowl), Arlington, Virginia.

Background materials of each meeting held to date are kept in a public docket at EPA's Office of Pesticide Programs. The docket number is [OPP-2004-0014](#).
